

Declaration of Commonality

Reference Product	Hardware Version
Motorola MTM5400	MT953C

Motorola Solutions Ltd, Jays Close, Viabes Industrial Estate, Basingstoke, RG22 4PD, England,

Declares that in respect of Interoperability Testing (TETRA IOP) and network performance, the following products are equivalent to the above mentioned reference product(s), which have formal TETRA Association / TETRA + Critical Communications Association IOP certification,

Product Family
Motorola MTM5000 Series Mobile Radios, including MTM5200, MTM5400 and MTM5500

This declaration is made with these products having identical software code for implementing the upper and lower MAC, layer 2, and layer 3 protocols in accordance with EN 300 392-2 with reference to IOP testing, having only differences related to them supporting different hardware platforms and relevant user interface variations.
